

Phelisanong Orphans, Disabled, and HIV/AIDS Project

a community project in Lesotho, southern Africa

The Kits for KIDS program aims to pair sponsors with orphans and disabled children in Lesotho. Funds are used to provide blankets, soap, candles, firewood, school clothing, and other essentials to help children live in comfort. Sponsored children have access to the Phelisanong health clinic and are given the support they need to enroll in primary school.

Sponsors sign on for a commitment, renewable annually, of **\$1 per day**. Children are encouraged to communicate with their sponsors and send a back photos, artwork, and letters whenever possible. One-time donations are also warmly welcomed.

This is a project of Glasswaters Foundation, a Canadian foundation who facilitate indigenous communities to break the cycle of poverty through health, education, nutrition and shelter supports.

Canadian donations are tax deductible when cheques are made payable to Glasswaters Foundation.
